

MISSOURI PHYSIOLOGICAL SOCIETY
An independent chapter of APS

Welcome to the quarterly mophys newsletter!

Join us for an exclusive **mophys webinar with Dr. Jennifer Pollock!**

Dr. Pollock, Professor at the University of Alabama Birmingham and past president of the American Physiological Society, will talk about the future of the society and the upcoming American Physiology Summit in Long Beach, CA.

The webinar will be **on July 13th, 2022 at 12 pm (noon)**.

You can participate in this free event by clicking the following zoom link:

Looking forward to seeing you there!

The **2022 meeting of the Missouri Physiological Society** will be held in Columbia, MO on **September 24th**.

The Keynote will be given by Dr. Rick Samson, who is a Professor at Saint Louis University and the next president of the American Physiological Society.

Get your abstracts ready for mophys 2022! **Deadline for abstract submission is September 1st, 2022.** Stay tuned for a detailed meeting schedule.

For meeting registration and abstract submission, [click here](#).

mophys is expanding!

Since the beginning of 2022, the mophys society has grown by an incredible 40%! [Now is the time for you to join](#) a collaborative environment of Missouri researchers and teachers with interest in physiology. Be part of a professional society and help shape the future of MO physiology by serving in one of the many mophys committees. Find out more by [clicking here](#).

WE NEED YOUR FEEDBACK ON LOCAL MEETINGS IN MISSOURI. We would like to know the exciting things going on at Missouri schools. mophys will promote your local meetings to a chapter-wide audience. Just send us some basic information of your meeting and we will display it on the mophys website and include it in the mophys newsletters.

This is a great way to draw more attention to your school and your science! All it takes is an email to: contact@mophys.org
